## Who is SCARC?

**SCARC Inc.** was founded in 1957 by a small group of parents searching for services for their children with developmental disabilities. Now in its 60th year, SCARC is the most comprehensive nonprofit agency in Sussex County serving children, adults and their families with developmental disabilities. Currently SCARC assists over 650 individuals through its various services.

**SCARC Foundation** was founded in 1985 to provide planning and funding for current and future programs for people with developmental disabilities currently being served by SCARC Inc. and by SCARC Guardianship Services Inc.

**SCARC Guardianship Services** was founded in 1989 in response to requests from parents to provide guardianship services to people with developmental disabilities. In addition, it offers a pro-se service where families are guided through the guardianship proceedings enabling them to obtain guardianship at a greatly reduced cost.
